

STEP 1- Open <https://github.com/> on your internet browser

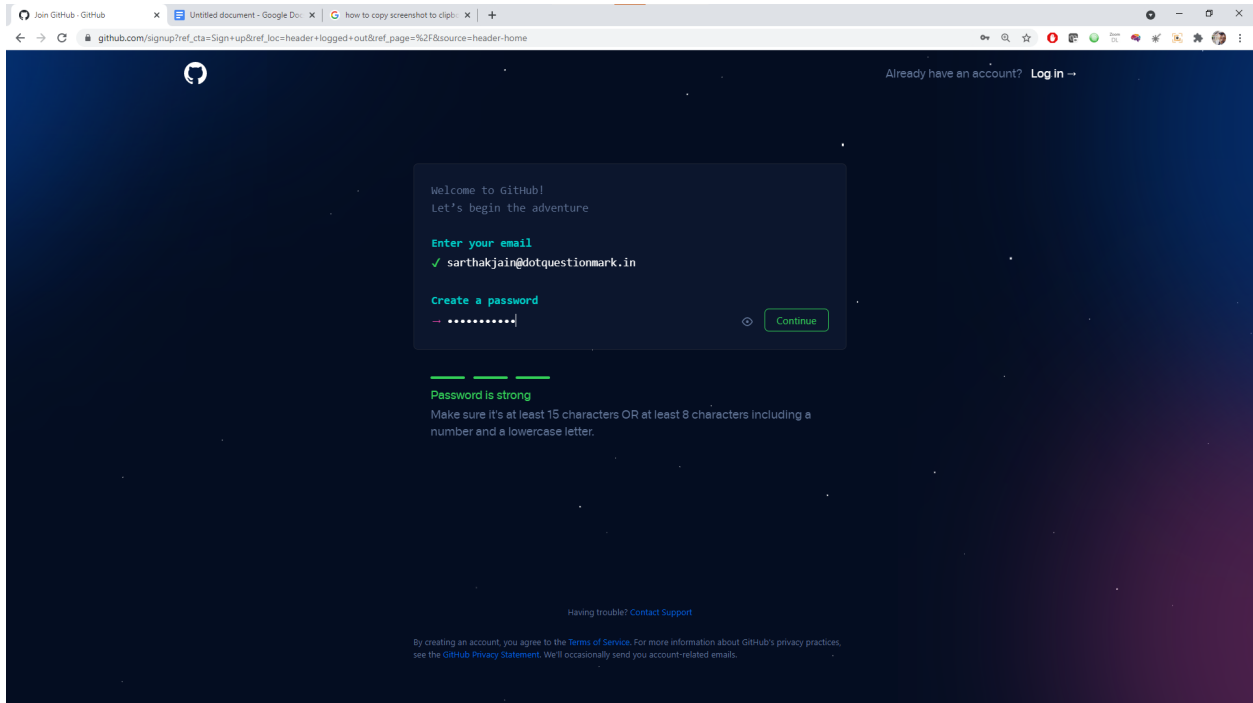

STEP 2- Click on [Signup](#)

STEP 3 - Enter your Email Address

STEP 3:- Enter your a new password

The screenshot shows the GitHub sign-up page. The user has entered their email as 'sarthakjain@dotquestionmark.in'. The 'Create a password' section shows a password field with a green checkmark and a 'Continue' button. Below this, a message states 'Password is strong' and provides instructions: 'Make sure it's at least 15 characters OR at least 8 characters including a number and a lowercase letter.' At the bottom, there is a link for 'Having trouble? Contact Support' and a footer with terms of service and privacy policy links.

Password is strong
Make sure it's at least 15 characters OR at least 8 characters including a number and a lowercase letter.

Having trouble? [Contact Support](#)

By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails.

STEP 4:- Enter your username and solve the puzzle.

The screenshot shows the GitHub sign-up page with the next steps. The user has entered a password and a username 'hellosarthak'. The 'Would you like to receive product updates and announcements via email?' section shows a 'n' response. The 'Verify your account' section shows a large green checkmark and a 'Create account' button at the bottom.
